

BUS PARKING for Van Cortlandt Park Events

For Bus Drivers

Many of Van Cortlandt Park's athletic events gather at the historic Parade Ground along Broadway in Bronx, NY. The local community has observed families and bus drivers double and triple parking along Broadway causing accidents and frustrating residents across the street. The Parade Ground is located along a curve in the road which adds to the danger. To alleviate these problems, we ask you to

- Use bus stops for drop-off and pick-up only.
- Have a cell phone to contact your group's organizer for pick-up NOT at the finish line.
- Be courteous at all times to local residents, other drivers, and everyone else.
